ARMY NAVY GAME COMPLETES THE GRIDIRON SEASON

THEN WILL COME THE LINE UP FOR NEXT YEAR'S ELEVEN.

(By Associated Press.) PHILADELPHIA, Nov. 28.—Army 20, Navy 0.

NEW YORK, Nov. 28.—Following the annual Army-Navy football game in Philadelphia this afternoon will come the usual selection of all-American, all-Eastern and all-Western teams for the season of 1914. The adherents of the two United States academy teams will await these mythical combinations with more than usual interest this season, since both the Annapolis and West Point teams include players thought by their admirers to be of all-American calibre.

Last year the Army and Navy each succeeded in placing a player on the team considered by football followers in general to be the nearest approach to an official eleven. Brown, of the Cadets' team, was placed at right guard, and Meritt, of the Mid-dies, at right end. This brought the total up to ten for the period extending from 1901 to 1913. Bunker, the Army's right tackle, and Daly, quarterback in 1901, were the first service players to make the all-American team. Daly had, however, made the teams of 1898 and 1899 while playing quarter for Harvard.

In 1902 the Cadets were again represented by Bunker, who was placed at right halfback in that year. Two years later the Army's famous center, Tipton, was the unanimous choice of the experts for the position of passer back of the ball. Three years elapsed before an academy player was again mentioned and then the Navy placed Dague, left end of the 1907 combination, on the eleven, while Erwin, the Army's right guard, was also named. It was not until 1911 that the service football men made the all-American team again. In that year the two academies divided honors, Devore, of the Cadets, being at right tackle and Dalton, of the Navy, at fullback. As a result the count stands at present Army 7, Navy 3.

PERFECT WEATHER FOR FOOTBALL GAME

BETTING SLIGHTLY IN FAVOR OF THE CADETS FROM WEST POINT.

(By Associated Press.) PHILADELPHIA, Nov. 28.—The annual spectacle of the Army and Navy football, attendant with the glitter of gold-braided uniforms, patriotic music, colors, marching midshipmen and cadets, found the weather perfect. Last year the army won. This year the soldiers are slightly favorites. The Washington contingent included several of the cabinet, most of the general staff of the army, and many ranking officers of the navy.

Say German Ship Sunk By a Mine

(By Associated Press.) PARIS, Nov. 28.—A Petrograd dispatch says it is reported the German battleship Wilhelm der Grosse struck a mine and sank in the Baltic. This is not confirmed. The Wilhelm was one of Germany's oldest battleships and carried a crew of 650.

MAGNATES PLAN FOR NEXT YEAR'S BASEBALL GAMES

SELECT TRYING OUT GROUNDS AT POINTS IN THE SOUTH-EASTERN STATES.

(By Associated Press.) CHICAGO, Nov. 28.—With the passing of football there comes a lull in the active major sports of the nation, but the fans composing the Winter Baseball league will keep interest alive even though the magnates break all precedence by imitating the Sphinx. With organized baseball, the Players' fraternity and the Federal league all offering fuel there should be no need of fanning the flames. In fact, all signs point to one of the liveliest seasons of indoor baseball in a decade.

Although the echoes of the world's series are just dying away the magnates, managers and players are already planning for the 1915 campaign. Regardless of the possibility of sensational changes in ownership and circuit, arrangements for the spring training trip of a number of the clubs have already been made. The Chicago Nationals will work out the winter stiffness at Tampa, Fla., beginning on March 1; the St. Louis Cardinals have selected Hot Wells, Texas, as their spring camp and the New York Nationals will return to Marlin, Texas, for the third season.

The Boston Nationals, champions of the baseball universe, have decided to prepare for the 1915 pennant race at Hot Springs, Ark., and will have company in the Boston Americans and some of the Pittsburgh Nationals for a time at least. The Pirates will spend a portion of the time at Dawson Springs, Ky., while the Detroit Americans are scheduled to return to Gulfport, Miss., reporting late in February. The Philadelphia Nationals are expected to limber up at St. Petersburg, Fla., and the other clubs have either signed renewals for their former camps or are selecting new training quarters.

EDITOR IN CONTEMPT FOR SAYING COURT WAS INFLUENCED

SACRAMENTO PUBLISHER SENT TO JAIL FOR FIVE DAYS.

(By Associated Press.) STOCKTON, Nov. 28.—F. P. Lamoreaux, editor of the Labor News, was sent for five days in jail and fined \$250 by Judge Norton, of the superior court, for contempt of court, who held the article charging the judge was issuing restraining orders against picketing whenever requested by the employers' association constituted contempt.

CASHBOY WILL BE MADE ASSESSABLE

PROPERTY IN WEST END WHICH HAS EVERY INDICATION OF MAKING GOOD.

The Tonopah Cash Boy Consolidated Mining company is preparing to go on an assessment basis with the understanding that the assessments be held down to the actual requirements of the company, coupled with substantial physical development. The assessment will be probably a half a cent a share, which should furnish enough money to keep the mine going at a rate sufficient to place it on a paying basis. It is estimated that after the shaft has been unwatered work will proceed rapidly and the stockholders will not be subjected to any hardship by the levying of half a cent assessment. The stock in the new company will be exchanged share for share in the old company. The action of the directors will be submitted for ratification at a meeting of stockholders to be held in the office of William Forman in the Bank building, on the 10th of December.

SEDAN OF NORTHERN POLAND BOASTS RUSSIA WHILE WITHHOLDING DETAILS

(By Associated Press.) BERLIN, Nov. 28.—Cairo reports 76,000 Turks marching against Suez canal. England is confronted with the necessity for energetic action to protect its interests in the near east from a force which includes 10,000 Bedouins with 500 camels. The road to the canal has been barricaded by the British with a long line of trenches, occupied by artillery. Interest is attached to reports because of the proclamation of the sultan calling on all Mohammedans to rise against Great Britain and others of the triple entente.

LONDON, Nov. 28.—While Petrograd dispatches continue to claim victory in northern Poland comparable to Sedan, even worthy to rank with the disaster Russia inflicted upon Napoleon, official communications shed little light. Grand Duke Nicholas, commander-in-chief of the Russians, reports the battle between the Vistula and Warta rivers progressing in favor of the Russians. Both Berlin and Vienna assert there has been no decisive result.

BERLIN, Nov. 28.—Only unimportant engagements are reported in east Prussia. At Lowicz fighting continues. Russian attacks west of Mowo and Radom were repelled.

TOURNAMENTS FOR THE WINTER NIGHTS AT ELKS ROOMS

BIG CASINO TOURNAMENT TO BE INAUGURATED AT THE CLUB ROOMS SATURDAY.

The Elks house committee has arranged a series of tournaments that will keep the club rooms filled every night of the cold winter months when the boys are looking around for some sort of rational entertainment. The committee has decided the best way to increase the interests of the members is to promote harmless excitement which will appeal to every class of the membership. The first of these tournaments will be held Saturday night, which will be known as "Casino Night," when the card sharps will have a chance to show what they recall of the game of their childhood. Game will be called at 9 p. m. Already sixty entries have been made and a hot time is promised. That the refreshments may be in full accord with the occasion the committee has resolved to have a luncheon of chile con carne. Liberal prizes have been set aside for the winning members and any one who is curious to see them may get a glimpse of them in the clubrooms, where they are on display.

A German aeroplane, with three men, was brought down by artillery, resulting in the death of one and capture of the others. It is reported the British fleet is again operating against German positions on the Belgian coast.

HEAVY WEIGHTS SIGN UP FOR BIG GO IN LONDON

JOHNSON TO MEET THE BIGGEST MAN HE EVER ENCOUNTERED IN RING.

(By Associated Press.) NEW YORK, Nov. 28.—If the bout between Jack Johnson and Jess Willard, articles for which Johnson signed in London recently, according to cable dispatches, takes place, the champion will find himself confronted in the ring by the biggest man he has ever faced. Willard is 6 feet 5 1/2 inches tall and weighs between 230 and 240 pounds in ring costume. Johnson is 6 feet 1/4 inch in height, weighs about 210 in condition and has a reach of 72 inches. His age at the time tentatively set for the bout would be 37 years. A comparison of these figures show that Willard would have an advantage of at least 20 pounds in weight; five inches in height and close to ten years in age. There would be a far greater difference in the physical proportions of the boxers than was the case when Johnson won his title from Jim Jeffries at Reno, Nev., on July 4, 1910. Johnson at that time was 32 years old to Jeffries' 35; weighed 209 pounds to his opponents' 230, and had a reach of 72 inches to Jeffries' 75. Willard's greatest advantage over Johnson would be his youth, for in but one championship bout among heavyweights in modern times has there been a difference of ten or more years between the principals. John L. Sullivan was 34 years old when James J. Corbett defeated him at New Orleans in 1892 at the age of 24. Corbett was 31 when Bob Fitzsimmons, at the age of 35, defeated him at Carson City, Nev., and Fitzsimmons was 37 when Jeffries wrestled his championship laurels from him when Jeffries was but 24 years old. Fitzsimmons lasted 11 rounds against Jeffries at the age of 37, but the Cornishman was a physical marvel, differing greatly from the modern heavyweight.
